NINTENDO GAMECUBE™

Play Game Boy games on your TV using a Nintendo GameCube!

- Simply set your console on top of the Game Boy Player and screw in 2 screws and you are ready to go. Boot your console with the included disc and play!!

- Play more than 1,000 games designed for the original Game Boy, Game Boy Color and Game Boy Advance hand-held game systems.

- Select from 20 different frame designs that border the game image on the TV screen.

- Also works with the e-Reader accessory* - scan e-Reader cards and play classic Nintendo games, Pokémon-e TCG, Animal Crossing-e and more.

- The Game Boy Player matches the footprint of the Nintendo GameCube and quickly connects to the bottom, adding only one inch to the height. You can easily switch from playing Game Boy games to Nintendo GameCube games.

- Control game play with a Nintendo GameCube Controller or plug in the Nintendo GameCube Game Boy Advance cable* and use a Game Boy Advance system as a controller.
